## **Workshop 2: Maximizing our Impact on Society**

Breakout Groups

---

**What does "a clear understanding of the impact of our work on society" mean?**

Socially-aware academics: Tables A and B (inside Disney Hall)

**How should we organize our resources – people, time, and money – to encourage and extend HMC's outreach efforts to K-12 education, teacher education, and the community at large.**

Opportunities for outreach: Tables C and D (inside Disney Hall)

**How centralized an approach should HMC take to encouraging and developing leadership in all of its forms: academic, entrepreneurial, and service-based, to name a few?**

Leadership and Entrepreneurship: Tables E and F (inside Kiva)

**What combination of initiatives will make HMC a place where a *diverse* set of students, staff, and faculty demonstrate excellence in science, math, and engineering?**

Achieving Diversity: Tables G and H

**Our alums and trustees are perhaps underutilized as a network into many segments of society. How can we best use this network to improve the social awareness and "connectedness" of an HMC experience?**

Leveraging HMC networks: Tables I and J
