RE: Expedited Approval of IRB# 1803
Title of Study: MyCS: Middle-years Computer Science

Dear Dr. Erlinger:

Thank you for submitting your research protocol to the IRB at Claremont Graduate University. Your protocol has been approved as indicated on the coversheet that you provided when you submitted the protocol. Your signed cover sheet is being returned with this letter.

Your protocol is approved for a period of one year from the stamped date on this letter. At that time you must send a brief report on your progress-to-date to the IRB and have your protocol renewed if necessary. Be sure to submit your report in time for a renewal to be issued before this one expires. Include in your report any changes that should be made to the originally approved protocol for the renewal.

If your research is completed before this protocol expires you must notify the IRB that your research has been completed and identify any problems encountered that will assist the Board in approving future research of the type you conducted.

If any injuries or unanticipated problems are encountered in the conduct of your research that are related to risks to participants or others it is your responsibility to notify the Chair of the IRB and the Office of Research and Sponsored Programs as soon as practical but in no more than five days of the occurrence (phone: 909-607-9406 or via email to irb@cgu.edu).

If, during the conduct of your research, you discover changes that should be made to the procedures in the approved protocol you must promptly report the proposed changes to the IRB. The proposed changes must not be implemented without IRB approval except where necessary to eliminate immediate hazards to participants.

The entire Institutional Review Board of Claremont Graduate University wishes you well in the conduct of your research project.

Sincerely,

Jennifer Merolla, IRB Representative
Institutional Review Board
