Guest Account Request Form

You must fill out this form completely to receive a user account on the HMC Computer Science department computers. Please follow the directions exactly. Print as neatly as possible; try to make your letters as unambiguous as possible, otherwise your account may be created with incorrect information.

Your full legal name. If you have a legal middle name, please include it.

Name you prefer to use, if it is different: _____

Your email address: _____

Reason for account: _____

I have read the Harvey Mudd College Computer Science User Policy and I take responsibility for understanding its contents. I agree to abide by all the rules and regulations set forth in the policy. I understand that failure to abide by these rules and regulations may result in the temporary disabling or permanent deletion of my account. I realize that the policies sometimes change, and as long as I have an account, I am obligated to abide by the rules and regulations set forth in the current policy. I know that the most recent version of the policy (along with a summary of any recent changes) is available for me to view online at <http://www.cs.hmc.edu/wiki/QREF/Policy>
