

The Olin Bldg. of Harvey Mudd College is located at 1250 N. Dartmouth Avenue between Foothill Boulevard and 12th Street in the City of Claremont, California.

Right outside of Olin, on Dartmouth, there always seems to be on-street parking available. There is also a parking lot (entrance on south-east side of Foothill) that always has a space or two free. This parking lot officially requires a tag to park there, but visitors have used this lot in the past and not had a problem.
