**Notes: Using the pen 2**

Name:_____________________________________

**set pen color to**

The set pen color block changes the color of ________________ the sprite draws when the pen is down. Clicking on the color box will let you choose the color you want from a ________________.

**set pen size to 10**

The set pen size block changes the ________________ of the line the sprite draws as it moves. It has 1 variable:

1. You can change how thick the line is. A ________________ number makes a wider line.

**hide**

If you do not want to see the sprite on the stage, use the hide block to make it _________________. The sprite will still move and draw lines while it is invisible.

If you want to make the sprite ________________ again, use the show block. Show

Both the show and hide blocks can be found in the “_______________” tab.
