Answer the following questions using Scratch and the `go to x: 0 y: 0` block or the `glide 1 secs to x: 0 y: 0` block. Use the following script to clear the stage and reset the sprite after each question.

Every drawing needs to fit COMPLETELY on the stage.

1. Write a script to draw a square.

   **Script**

   **Picture**

2. Write a script to draw a long purple rectangle.

   **Script**

   **Picture**

3. Write a script to draw a red triangle using thick lines.

   **Script**

   **Picture**
4. Write a script to draw a parallelogram.

Script

5. Write a script to draw a hexagon.

Script

6. Write a script to draw a small square inside of a larger square.

Script
